Full job description

Senior Property Valuer to step into a role with no reliance on bank panels. Instead, the focus of this position is Financial Reporting & Risk.

Valuations work:

- Primarily Institutional Grade, covering significant assets for the Government and Private Sectors.
- These are interesting and serious assets that this firm has unique access to; from Hospitals and Churches, to Mines, Universities, Breweries & Airports.
- Your workload is going to be varied and no two days will be the same.
- Some travel across Australia & Internationally for big projects but managed so you rarely have to spend more than 1 week away in a month.

There is a significant client advisory & interaction portion to this role, where you will work closely with clients on valuations projects, advising them every step of the way. This firm considers the advisory piece of their offering of vital importance to their success, so good people skills are a must.
