Full job description

Our client is a community owned not-for-profit aged care facility that is overseen by a voluntary Board of Directors. The facility has the capacity to house 65 residents, who have chosen to make it their home and live in private and comfortable accommodation. Who pride themselves in the provision of excellent quality care in a friendly, caring, and warm environment.

As the Director of Care Services, you will be expected to work in accordance with the philosophy and objectives of the facility to ensure consumers receive kind, caring, respectful and quality care.

The Director of Care Services is responsible for the clinical, care and lifestyle aspects of the organisation. This will be achieved through effective leadership, team management, continuous improvement and promoting resident quality of life whilst meeting all accreditation and legislative requirements.

The Director of Care Services will work effectively as part of our executive management team ensuring the development and growth while communicating
